# The Carriage Studio

Here I am preparing for our Christmas Class last year. We all had a lovely time.

## To All My Dear Friends,

I can't believe it's time for me to send you another program, I love the Christmas season but I am now focusing on 2010 and hoping we will have something on the program to bring you to the carriage studio. There have been made in the carriage beautiful blouses in silk dupioni, linen and cotton, cami's for special occasions, baby wraps, daygowns, bibs, booties and gorgeous christening gowns, smocked dresses for very special children and grandchildren and nightgowns like you just can't buy and of course doll dressing. We also had personalised wedding handbags and handkerchiefs made here - a very special gift for a special bride or friend. Everyone who comes can achieve so much because they don't have the distractions you have when stitching at home and David organises a beautiful lunch for us. We are sewing on Wednesday and Saturday with patchwork reserved for Thursday.

Those of you who have come to the carriage studio know that I will try to adapt to your requirements so give me a ring before the class so I can be prepared. Students that come on a regular basis with ongoing projects are always welcome.

Love & God's Blessings

Lynne

## Hen's Day at the Carriage

Belinda was recently approached to host a **Hen's Day** at the Carriage Studio to learn how to become a **Domestic Goddess**. This type of experience in the country is a great way to create a lasting memory for the Bride To Be and also learn some tips for the start of married life. The format could include some combination of the following activities:

- Cooking basics – learn and taste a selection of easy and delicious meals
- Sewing – complete a small and easy hand embroidery project
- Make up demonstration from one of Sydney's leading make up artists – a special focus for the bride

We also have a selection of fun ideas and games we can assist the bridesmaids to make the day personal and special for the Bride. Enjoy a fun and relaxing day in the country. The most important thing is to have fun with the Bride. Minimum 10 people (\$100 pp).
